

# Presentation Magic

CONVINCE AND INSPIRE YOUR AUDIENCE

With  
NLP

Do you get cold sweat and nausea at the thought of doing a speech or presentation? Do your knees shake and your brain 'freeze' every time you stand on stage? If you wish to present confidently and want to see your audience smile with delight, nod with approval and applaud in appreciation of your presentation, then this workshop is for you!

Learn:

- To structure your presentation to influence and to catch attention
- To conquer fear of public speaking
- Techniques of projecting a strong convincing voice and the meaning of different voice pitch and tones
- To use words and conversation frames to influence
- How gestures and body language can work to your advantage
- The techniques of space anchoring to help bring up positive emotions on 'stage'
- To use the 'MACHO TEST' to check if your presentation would be well received

Ms Kiki Ng is an international speaker, a certified Trainer and Master Practitioner of:
