What is Neuro-Linguistic Programming (NLP)?

NLP is the science of modeling human excellence. All techniques used and taught in this 6-day intensive course have been modeled from experts in their field. NLP is one of the most powerful change tools available now to effect change in human behaviour and performance. Completion of this course earns you an NLP Practitioner Certificate. Course spreads over 2 weekends.

Do not attempt to join this course if you are not mentally prepared to see powerful change... This is a highly intensive course and prepares you through intensive NLP workshops and application drills. Major topics include:

- Instant Rapport Building Techniques
- Change Application Tools
- Conversation Frames and Reframes
- Power Convincer Techniques
- Eye Movement Analysis
- Conflict Management Techniques
- Decision Making Elicitation
- Language Pattern Analysis and Breakdown
- Verbal Pacing and Leading
